

THE CHURCH IS STILL HERE, HIS CHURCH STILL PROVIDES, HIS CHURCH IS YOU AND ME!

Dear St. Boniface Parishioners,

As we move forward through this "Year of St. Joseph," with starting our Diocesan Annual Appeal, we continue dealing with changes from Covid 19 but the Lord is still here! He remains steady in all our lives, with hardships, joys, sorrows and blessings. He is in YOU and ME! Yes, we need to recognize that all good comes from the Lord and we are to share that good with those around us, loving our neighbor as ourself. Fr. Doss, Deacon Wendt, the St. Boniface finance and pastoral council members ask you to connect to the link on tresecclesiae.org website page and update yourself with things going on in the parish. The links will help you see the Diocesan Appeal video by Bishop William Callahan, Fr. Doss' introduction, Cletus Foegen and Mary Hildebrand going over school/parish finances, budgets and repair projects on St. Boniface Church going forward. Please contact Connie at the parish office if you want a copy of fiscal year and budget sheets plus meeting minutes to help you know that we are staying active in keeping St. Boniface's wellbeing in good standing. Please know that at any time you can contact any of us with your concerns, thoughts and inputs. May YOU know and feel God's presence in your life even now in these trying times - God bless you all!
